

# 2013 Senior Night

---

Congratulations!!! You and your son/daughter have been on quite an exciting ride over the last 4 years. This activity has not only been a life changing experience for your child, but it has been equally as rewarding for you as well. From that 1<sup>st</sup> band practice after Memorial Day the first year all the way up to tonight, you and your child have created memories that will last a lifetime. This night is especially important, because Friday we celebrate the senior 2013 Marching Band members – individuals who have given it their all and helped continue the “Tradition of Excellence” that the Kiski Band is known for around the country. I personally thank you for supporting and believing in this program, because without you, we could not do what we do.

The procedure for halftime is as follows:

- When there is approximately 6 minutes left in the second quarter, all parents/guardians who are escorting their seniors should assemble by the fence underneath the scoreboard at Davis Field.
- When you arrive at the scoreboard, Mr. Heiny will place you in order alphabetically. The front of the line will be towards the “away” stands. The back of the line will be towards the “home” stands.
- Mr. Heiny will escort all of you when it is time to the 50-yard line on the back sideline. When your child’s name is called you are to begin walking down the 50-yard line towards the front of the field. When you arrive to the front sideline you will alternate turning left and right to line the front sideline. The first group should go to the right and walk to about the 20 yard line. All groups will wait until the last group reaches the sideline so one last recognition of the seniors can be made. Everyone will then leave the field towards the scoreboard.

On the second page is a list of the 2013 seniors in alphabetical order.

I look forward to seeing you Friday night!! Thank you.
